

# Steps for Updating HH/E/BS, Commercial Farm and Slaughter House Details

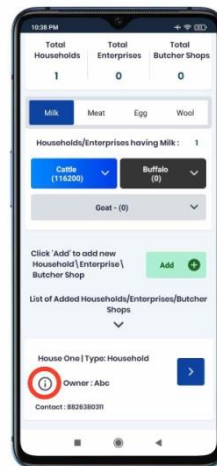

**Note: Households/Enterprises/Butcher Shops/Slaughter Houses/Commercial Farms can be updated once added.**

Updation of household/enterprise/butchershop(HH/E/BS) details can be done by enumerator in Schedule-II only.

Enumerator can update HH/E/BS only before 'Mark Schedule Complete' for schedule-II.

Updation of Commercial Poultry Farm and Slaughter House details can be done by DNO only.

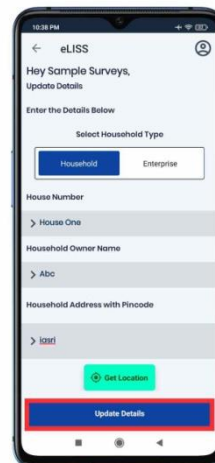

Step 1: Click on the info icon to Update details of HH/E/BS, Commercial Poultry Farm or Slaughter House. A dialog box will appear with 'Update Details' button.

**Step 2: Click 'Update Details' button to open update activity and update the required information.**

**Step 3: Edit any or all of the fields and click 'Update' button.**

Step 4: On Successful update, user will get the success message.
